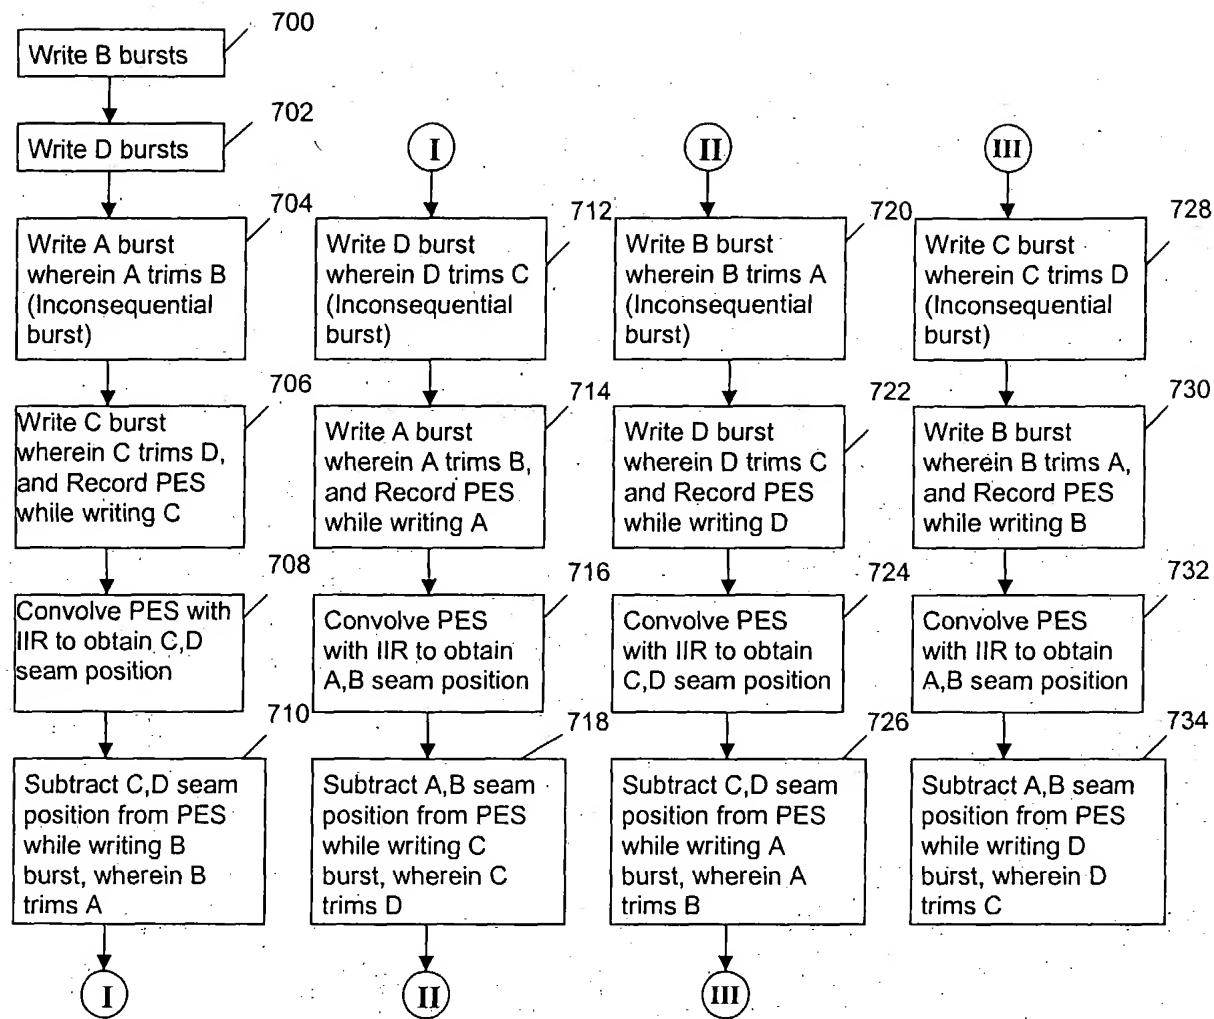

FIG. 8

- (Step 734) Write D burst. D trims C.
Subtract position (from step 732) from PES while writing D.
- (Step 732) Convolve PES with IIR to obtain AB seam position.
- (Step 730) Write B burst. B trims A. Record PES while writing B.
- (Step 728) Write C burst. C trims D. Inconsequential burst.
- (Step 726) Write A burst. A trims B.
Subtract position (from step 724) from PES while writing A.
- (Step 724) Convolve PES with IIR to obtain CD seam position.
- (Step 722) Write D burst. D trims C. Record PES while writing D.
- (Step 720) Write B burst. B trims A. Inconsequential burst.
- (Step 718) Write C burst. C trims D.
Subtract position (from step 716) from PES while writing C.
- (Step 716) Convolve PES with IIR to obtain AB seam position.
- (Step 714) Write A burst. A trims B. Record PES while writing A.
- (Step 712) Write D burst. D trims C. Inconsequential burst.
- (Step 710) Write B burst. B trims A.
Subtract position (from step 708) from PES while writing B.
- (Step 708) Convolve PES with IIR to obtain CD seam position.
- (Step 706) Write C burst. C trims D. Record PES while writing C.
- (Step 704) Write A burst. A trims B. Inconsequential burst.
- (Step 702) Write D burst. (Wraps to step 734.)
- (Step 700) Write B burst. (Wraps to step 730.)
